

"If You Could See Me Now"

Our prayers have been answered I finally arrived, the healing that had been delayed is now realized. No one's in a hurry there's no schedule to keep, we're all enjoying Jesus just sitting at his feet. If you could see me now I'm walking streets of gold, if you could see me now, I'm walking tall and whole, if you could see me now, you'd know I've seen his face, if you could see me now, you'd know the pains erased. You wouldn't want me to ever leave this place, if only you could see me now. My light and temporary trials, have worked out for my good to know it brought him glory when I misunderstood. Though we've had our sorrows they can never compare to what Jesus has in store for us no language can compare. You won't want me to leave this perfect place if you could see me now, if you could only see me now.

Acknowledgements

Perhaps you sent a card or dish of food, if so we saw it there. Perhaps you spoke the kindest words any friend could say, perhaps you were not there at all, just thought of us that day. Whatever you did to console our hearts, we thank you so much, whatever the part. May God bless each of you. Special thanks to Doctors Bijoy Telivala and Staff, Charles Booras and Staff and Vitas Healthcare.
