Be Still

Be still and know that I am God, for only I can see the true desires of a woman's heart. I see the tears that slowly drop in the darkness of the night, and it is my mercy that giveth her the strength to fight. Nothing is hidden that I cannot see, this is my flower and I called her home to me. So, fear not of what will be, my arms are wide open and I the Lord too am also acquainted with grief. Be still and know that I am God and in time I will mend your broken hearts.
