## *"Our Mother"*

Our mother was a beautiful person, caring, loving and kind. She could walk in and light up a dim room. She picked you up when you were down, she made you smile when you wanted to frown, and kept you positive when you couldn't keep it for yourself. Our mother was the true definition of love and as we lay you to rest, we thank you. Thank you for being who you were and for showing us the way.

## *Acknowledgements*

Perhaps you sent a lovely card, or sat quietly in a chair.  
Perhaps you sent a floral spray, if so, we saw it there.  
Perhaps you spoke the kindest words as any friend would say.  
Perhaps you were not there at all; just thought of us that day.  
Whatever you did to console our hearts, we thank you very much whatever the part. May God bless each of you!
