*To my Beautiful Julie  
My True Love*

You have taught me and shown me many things in our marriage together. If there is one thing that I've learned from us being together for the last 24 years is the meaning of true love. You have shown and taught me what true love really is, and I thank you for that. I never knew what true love was until the day we met and got married. You are the love of my life, and you will always be. The children and I love you, and we will forever miss you dearly. You have brought so much happiness to me that I will cherish forever. I know the Lord has another angel up there and has said to you job well done. I love you with all my soul Julie. You are my forever true love. ~Your Husband, Willie

*Acknowledgements*

Perhaps you sent a lovely card, made a comforting call or sat quietly in a chair. Perhaps you sent a floral spray, if so, we saw it there. Perhaps you spoke the kindest words as any friend would say. Perhaps you were not there at all; just thought of us that day. Whatever you did to console our hearts, we thank you very much whatever the part. May God bless you. ~The Family
