Acknowledgement

Perhaps you sent a lovely card, or sat quietly in a chair. Perhaps you sent a floral spray, if so, we saw it there. Perhaps you spoke the kindest words as any friend would say. Perhaps you were not there at all; just thought of us that day. Whatever you did to console our hearts, we thank you so much whatever the part.

Loving Memories

"Broken Chain"

We little knew the day that God was going to call your name. In life we loved you dearly, in death we do the same. It broke our hearts to lose you, but you didn't go alone. For part of us went with you, the day God called you home. You left us peaceful memories, your love is still our guide. And though we cannot see you, you are always at our side. Our family chain is broken and nothing seems the same, but as God calls us one by one the chain will link again.
