THE LIFE & LEGACY OF YVONNE

She attended the public schools of Duval County: Susan E. Tolbert Elementary, James Weldon Johnson Junior High and New Staton Senior High.

She received a Bachelor's degree from Florida A & M University and a Master's degree from Florida State University in 1974.

While attending public school, she played the clarinet in the concert band and was also a majorette with the marching band.

During her high school years, Yvonne participated in the Cotillion as a debutante.

After graduating from Florida State University, for a short time she lived in Orlando as well as Delaware. Upon returning to Jacksonville, she entered the same school system that helped prepare her for life. Yvonne taught Home Economics and Science for thirty seven years at four different schools, Landon Junior High, Baldwin Junior Senior High, Mandarin Senior High and Ribault Middle School. During her tenure, she also worked in an after school program at Ramona Elementary School. During Yvonne's many years of teaching, she met the love of her life Larry L. “NOTICE CHANGE OF ADDRESS”

Please be advised that I have moved. I received a call from God, and he informed me that my new home is ready and that I could move in immediately. You all know that I have been sending up my timber, packing up and getting ready to go, but there are some final touches that still need to be made my new home is finished and it's such a beautiful sight to behold. It is located in an exclusive estate area, and it sits behind the beautiful pearly gates. Of course, the streets are paved with gold, and every day is Sunday. I have lived in many places before, but none compare to this. There is peace, joy and happiness here, and I have no more pain. There is sweet serenity everywhere. I could go on and on about my new robe. I look forward to seeing you.

With All my love!

Let me give you my new address
